Microsoft Press,U.S., United States, 2007. Paperback. Book Condition: New. 224 x 184 mm. Language: English . Brand New Book. It s time to extend the benefits of Scrum-greater agility, higher-quality products, and lower costs-from individual teams to your entire enterprise. However, with Scrum s lack of prescribed rules, the friction of change can be challenging as people struggle to break from old project management habits. In this book, agile-process revolution leader Ken Schwaber takes you through change management-for your organizational and interpersonal processes-explaining how to successfully adopt Scrum across your entire organization. A cofounder of Scrum, Ken draws from decades of experience, answering your questions through case studies of proven practices and processes. With them, you ll learn how to adopt-and adapt-Scrum in the enterprise. And gain profound levels of transparency into your development processes. Discover how to: * Evaluate the benefits of adopting Scrum in any size organization * Initiate an enterprise transition project * Implement a single, prioritized Product Backlog * Organize effective Scrum teams using a top-down approach * Adapt and apply solutions for integrating engineering practices across multiple teams * Shorten release times by managing high-value increments * Refine your Scrum practices and help reduce the length of Sprints.
