

The Coloring Book of Fish: The Coloring Book for Adults and Children Full of Fish (Paperback)

By Kindle Grace Lightfoot, Ploppie Mccrapperson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.How to use the Coloring Book of Fish This book has a lot of fish. This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but theyre anything but. Our idea with this project was to both inspire you, and increase neuronal activity and stimulation in a way that activates very unique parts of your mind. There are fields of research suggesting that both children and adults who work with coloring books and designs can effectively raise their IQ. So have fun, relax, let the markers and pens do what they will, and hang on for an incredible, mind altering ride! We hope to give the designer (you) a very introspective and mind expanding experience. To help you bring your full art and color to life, weve left the outlines slightly gray instead of harsh black. Your ideas and the beauty you create are more important than the original designs. This is...
