These loveable puppets give everyone the same opportunity to become computer literate and to understand computer science. UNLOCK TECHNOLOGY WITH THE COMPUTER PUPPETS is a spin-off of the highly recommended technology-training program, Understanding Technology with the Computer Puppets. This program has been used for eleven years in public and private schools and is now available in book form for at-home training. No prior computer knowledge is necessary; teachers, students, parents and children can learn alongside each other with easy-to-use step-by-step lesson plans. It only takes 10-20 minutes a week to complete this program.
