Phoenix Pick, United States, 2012. Paperback. Book Condition: New. 210 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in the same universe as Arkfall (although a totally independent story), The Ice Owl tells a tale capturing that moment when we start to lose our childhood.when we start to realize that our parents and the grown-ups are just as flawed as we are.everyone struggling to deal with their own demons. *** It is also a story about past crimes and the haunting echo of ghosts long dead, of a life-long quest for redemption and, for some, the final revenge for crimes lost in the stellar dust.
