Choosing Stocks and Timing Buy and Sell Decisions: Trend-Based, Evidence-Driven Strategies That Work * What to do, how and when to do it, and why* Specific advice backed by modern statistical tests that identify consistently successful combinations of indicators* Techniques for identifying early weaknesses, maximizing gains, and protecting capital*By Charles D. Kirkpatrick II, the world s most influential technical analyst There s only one way to successfully compete with Wall Street s big boys : use algorithmic systems, just like they do. Fortunately, you can. Thanks to the wide availability of derivatives, cheap computing, and low-cost, high-speed trading platforms, you can run algorithmic systems that are proven statistically and can operate almost automatically. In this book, world-renowned technical analysis expert Charles D. Kirkpatrick II presents these systems and the evidence that supports them. Building on exhaustive research, Kirkpatrick shows why relative strength systems deliver consistent profits. Next, he drills down to identify the optimal elements of such systems, including lookback periods, ranks/ratios for portfolio changes, minimum trading volumes, and techniques for limiting the impact of market declines. Kirkpatrick s final...
