Reviews

This ebook is fantastic. It is probably the most awesome book i actually have read. I found out this ebook from my i and dad suggested this book to understand.

(Ethel Mills)

DRAGON LORDS RISING (PAPERBACK)

Thistleburr Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 200 x 128 mm. Language: English . Brand New Book. Moonbeam Children s Book Award double silver medalist A gnome, a girl and a dwarf fly north on an injured battledragon in the depth of winter to search for the missing Commander of the Stealth Dragon Services. Throw in a spy, an overweight dragon fledgling who s so plump he cannot fly, and a renegade Sorcerer Warlock hot on their tail, and it seems like a quest doomed to failure from the outset. But Quenelda is no ordinary girl, nor her gnome esquire, nor their guide and guardian the veteran dwarf Bonecracker Commando, Tangnost Bearhugger. Quenelda is a lone dragon whisperer in a world at war, where dragons have characters and voices of their own, and the Seven Kingdoms are under threat as never before from the amphibious hobgoblins who have united under a single warlord. The race to find the only man who can unmask the traitor at the heart of the realm is on! Spread your wings and hang on tightly as mighty Stormcracker takes you on a roller-coaster ride across the Old Wall and into the frozen north where you can slide down the ice flumes to the subterranean world of the Ice Bear Clan, land on an iceberg, or explore the mysteries of the long abandoned sea citadel. If you like magic there is lethal maelstrom magic conjured up from the Abyss, or Quenelda s often hilarious and always hazardous hit and miss efforts as she attempts to master the strongest dragon magic of all: that which flows through her very own veins, Battles and adventures aplenty are balanced by humour and frothy foolishness at Foresight Hindsight s Exclusive Emporium as Armelia s marriage to Darcy draws...
