Brand New Book ***** Print on Demand *****.A surreal and funny novel about River, a paper sculptor from Hawaii. Living in a snowstruck farmhouse in Japan with his young son, River is assaulted by a karakuri (ancient Japanese robot-doll) in the same 24 hours he discovers a disturbing message written in the snow by a crow near his sculpture studio. Feeling that he needs to take control of his mind and sure that the answer is to recapture love with his son s estranged mother, River makes a sudden journey back to the islands. What he finds there are three pot-smoking paper crows -- the creations of his own hands -- not-so-quietly taking control of his soul. It s your mind, we re only here to help, they swear. All the while falling more in love with these three paper crows, River sinks steadily deeper into a struggle for his own last breath. Your next life will be better, in just a few seconds, the crows promise.
