It happened the first time I stood on stage in front of the whole school. I thought that I was about to burst from all the pressure. To tell the truth I was so stressed out that I hadn't noticed that I really was bursting to do something else. and you really don't want to know what happened next. There are no two ways about it - our bodies talk to us and also talk to our environment about us! In this book you'll learn: How to interpret our intuitions How to understand what our bodies are telling us The secret of body language - the international language which isn't taught in any schools but can help you better understand what your friends are telling you, so you can work out what they really mean. Let's find out together what different movements or positions really mean, what lies hidden behind our words and how we can use our own body language to get what...
