Do you wish to be successful in your personal and professional life Perhaps you have previously been successful and then, like millions of others, suffered at the hands of the 2008 - 2012 global recession and now seek to get back to where you were, and beyond You may be similar to me - someone who experienced sustained career success, started a business, was initially successful and then was hit by a massive business failure (Unplanned Outcome) and feared going for it once more I was very successful throughout an initial career spanning 24 years, which included being promoted on seven separate occasions. I then started my own business, was initially successful and then suffered this huge Unplanned Outcome, returning me to Planet Earth with a massive bump, down to a level far lower than I or my family had ever previously experienced or endured. That was a really tough 5 years, leaving me with a substantial business debt! I also realised that I had managed to work my way DOWN the ladder of success, from a comfortable...
