Stacco Simple. Effective. To the point. - Kurt Indovina Are you looking for any of the following in Puppy Training? Increase the quality of your puppy s life Become a confident dog owner Build a strong relationship with your dog Spend only little time for training Immediate results Force-free dog training Keep your puppy instead of having it to return to a shelter because of mistakes that were to avoid Or are you afraid your puppy may become Shy? Aggressive? Lonely? Sick? Obese? Not housebroken in good time? Puppy Training Made Easy - A short guide for raising the perfect dog will safely guide you through the puppyhood of your new best friend. We compressed all the essential information of how to raise a puppy on 54 pages, easily readable within a few hours. So you can focus on training your dog instead of reading hundreds of pages through anecdotes and someone else s life stories. James Goodman, a renowned dog expert and psychological scientist, uses the latest training methods to help your puppy to become the perfect dog - in a completely force-free way. In his book he shows you proven techniques in an easy, comprehensive manner, and also which common mistakes to avoid. This book is for beginners and dog-experienced owners as well. There are many books about Dog Training out there that promise you to reach training goals in unrealistic timeframes, that use outdated techniques, or that use cruel methods to train your puppy. Most of...
