Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.

(Prof. London Gerlach)

SEEING SPELLS ACHIEVING: IMPROVE YOUR SPELLING, READING, MEMORY, DYSLEXIC SYMPTOMS, IN ANY LANGUAGE, BY USING YOUR BRAIN THE WAY NATURE INTENDED, THROUGH NLP AND VISUALISATION

MX Publishing. Paperback. Book Condition: new. BRAND NEW, Seeing Spells Achieving: Improve Your Spelling, Reading, Memory, Dyslexic Symptoms, in Any Language, by Using Your Brain the Way Nature Intended, Through NLP and Visualisation, Andrew Bendefy, Olive Hickmott, Have you ever wished you could improve your reading, writing, spelling, maths, and your memory and learning skills? Well, try this. "Seeing Spells Achieving" takes you through a series of simple logical steps which build on each other to enable you or your children to visualise your way to success, developing skills you already possess. For 3 years, Olive Hickmott and Andrew Bendefy worked with children and adults in groups and privately. Some with learning difficulties and many of whom had dyslexic tendencies. Within hours considerable progress has been made and all ages have been amazed that they now have a new and exciting choice of 'how to' spell. "I can see every word that is being said and I can spell them too". "This is so easy, isn't it cheating?" "What I love about this is that it works. It is nothing like the way I have been taught before". "Being able to visualise is great and so useful for many things". Olive and Andrew have devised an easy to run, practise orientated model. Work on your own or with a parent, friend or teacher and allow yourself to break free from your own limiting beliefs on your abilities. You'll be amazed how quickly "Seeing Spells Achieving" enables you to look at things from a New Perspective - and enjoy a whole new world.
