The United States, the European Union, and other developed countries have implemented similar programs since the 1970s. The U.S. program was first authorized in Title V of the Trade Act of 1974, and is subject to periodic renewal by Congress. The GSP program was most recently extended until July 31, 2013, in Section 1 of P.L. 112-40, and has not yet been renewed.
