

Sustainable Forestry in Southern Sweden: The SUFOR Research Project

By Kristina Blennow, Mats Niklasson

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, Sustainable Forestry in Southern Sweden: The SUFOR Research Project, Kristina Blennow, Mats Niklasson, The latest findings about the environmental, social, and economic impact of sustainable forestry. Forestry is one of the most important foundations of the Scandinavian economies. Sustainable Forestry in Southern Sweden: The SUFOR Research Project closely reviews the findings from the eight-year research program first launched in 1997 that searched for ways to maintain sustainable forestry in the region. Respected scholars and experts discuss ways to bridge the chasm separating the world of research with the world of trade and industry. Biodiversity, the impact of humans, environmental conditions, and other facets of sustainability are all presented and discussed in detail. Sustainable Forestry in Southern Sweden begins with an overview of Swedish forestry and the sustainability debate in Sweden. The full range of human impact is examined in detail with an eye on biodiversity issues. Other research includes the effect of deer browsing on forest development, the importance of root distribution, nutrient sustainability, fresh strategies for long-term forest sustainability, active risk management, and important policy issues. The book is extensively referenced and includes several tables to ensure clarity of...
